

Bahamas Dive Trip
Stuart Cove's Dive Bahamas
May 21 – 24, 2010
4 days / 3 nights / 6 dives

Stuart Cove's is an old favorite of the club and it has been a while since we were there. We are planning a long weekend, starting with a shark dive Friday afternoon (non-shark dives also available). We are staying at Orange Hill Beach Inn, again an old favorite. The airfare is relative cheap. It seems to change from \$100+ to \$161; no explaining the logic the airlines uses to set their prices. When you sign-up is confirmed, please book your airfare right away. We have 16 spots.
