Hillsboro Lighthouse Tour

A fun day at the
historic lighthouse

To get to the lighthouse we will take a 20-minute narrated boat ride up the Intracoastal Waterway on a 49-passenger watercraft. **If we're lucky, our own Dr. Ray McAllister will be our guide.**

We can climb the lighthouse and take in the spectacular view, tour the grounds including the 1906 Keeper Cottages, visit the gift shop and then learn about the famous Barefoot Mailman Statue.
