President's Waves

As you may have heard or read by now, we have a new meeting place. Galuppi's Restaurant, on Federal Highway, just north of the Civic Center,

has made us an offer that is hard to refuse. We will have the advantage of not having to move once we've eaten plus beverages are available. Your board decided on a three-month trial in order to be sure that things run smoothly. Twenty-five members met for dinner last month and the food got a big thumbs up. For directions to Galuppi's, check Kim's report or our website.

On May 20th, eleven members and friends dove with Capt. Joe and Wendy at Tilden's Scuba on Hawks Cay and participated in the Florida Keys National Marine Sanctuary's Adopt-A-Reef Event. It was a beautiful day with pleasant temperatures and calm seas. It was also fun diving with members, prospective members, and friends. It's nice being able to turn to that person next to you for help with a strap or to have them to turn on your air or pick up your fins once you have suited up and can't move any way but forward and up. Glada Blench, our Local Dive V-P, has more details about our cleanup efforts elsewhere in this newsletter.

On Saturday following the June meeting, ten members will be casting off for Turks and Caicos. This follows last month's Gulf Stream Eagle adventure, where early morning divers were treated to three tiger sharks. You are always assured of sharks on Capt. Mark's trips.

Watch this newsletter for news about future local dives, raft-ups, committee meetings, trip reports, and other special news.

See you at 6:00 p.m. for dinner at Galuppi's, 1103 N. Federal Highway, Pompano Beach. The meeting begins at 7:30 p.m.
